SAND LOT SAVAGES

Serious Condition of Things in San Francisco.

San Francisco, 24.—The board of supervisors, at a meeting this evening, decided to increase the police force to 400 men. The ostensible reason was for the purpose of giving employment to needy men.

At a meeting of the Board of Supervisors, this evening, resolutions were adopted, providing that there was an attempt to be made to prevent the condemnation of Chinatown, and that being law-abiding citizens, we would defend with their lives, their leaders in enforcing law, and offering 1,000 armed men to aid government in carrying out its provisions. Speaking in this connection, Keay said he had been informed from a reliable source of a Chinese crusade by the Chinese Companies, some of the merchants being the investigators, and the police department and National Guard too; that the Chinese were now in the city, and that the trouble by starting a fire or row, then Keay and the mayor were to be continued by Chinese people in the disguise of Chinese high-binders and armed to the teeth, were to be let loose to massacre men, women and children, selecting the law-abiding population of the city as their victims.

Regarding the case now before the United States circuit court, involving the constitutionality of the law forbidding corporations to employ Chinese, we would accept no decision but that of the people and they say the Chinese must go. He would leave a list of names of persons that must be guilty in case he was assassinated, as his assassination would be a blow at every workingman and woman in the civilized world. He announced that to-morrow ward president, the mayor and workingmen city officials would meet at the headquarters of the party. The purpose was not stated.

New York, 24.—The Herald has a special article on the threatened strike of the law-abiding population of the city, and the said law constitution are handled without gloves. The article takes the ground that the President has the right to interfere immediately even without the consent of California to enforce national treaty obligations.

San Francisco, 25.—The unemployed, yesterday, waited upon Alex. Sloan, not the Palace Hotel, who declined to allow their interference with his business. Leaders of the movement informed the crowd of the result and added that their opinion it was no harm to kill such a man. Mrs. Smith, who has been prominent in the movement, suggested dynamite as a means of removing the Chinatown nuisance. Parades will be continued today, the day, unemployed women joining the ranks.

The Foreign Budget.

London, 24.—The Moscow Gazette demands the appointment of a dictator to more effectively crush nihilism.

The bank Standard, bound to Melbourne from London, has been sunk by a collision. Sixteen persons were drowned.

A Paris
